Let's Welcome Marshfield's New Teachers — And Introduce Them to YOUR Business!

The Marshfield School District is gearing up to welcome 40 new staff members—including teachers and paraprofessionals. As these educators begin a new chapter, some may also be brand-new to our town. What better way to make them feel at home than with a thoughtful welcome from our business community?

The Marshfield Chamber of Commerce is assembling Welcome Bags to greet each new staff member—and we'd love to include something from your business! This is an excellent opportunity to not only welcome these new educators, but also introduce your products or services to potential new residents.

- ☐ We ask participating businesses to donate 40 of the same item, one for each Welcome Bag.
- ☐ Suggested items include:
 - A small gift or useful item
 - Branded swag
 - A gift card or special promotion
 - Information about your business
- ☐ Deadline - Friday, July 25th
- ☐ Please contact the Chamber at 417-859-3925 or director@discovermarshfield.com to arrange drop-off or pick-up

Whether it's a pen, a mug, a discount card, or something else, your contribution helps make these new educators feel warm and welcomed from day one. Your participation helps ensure these educators feel valued and supported as they begin their important work with our students.

Thank you for showing these educators what our community is all about!

Have questions or want to get involved? Please contact the Chamber at director@discovermarshfield.com

Now Booking: Employee Wellness Talks That Actually Work (and don't put people to sleep). Let me help your people decode their fatigue, gut issues, hormone imbalances, chronic illnesses, and

stubborn weight—not with generic advice, but with root-cause strategies that actually work. Whether I'm talking to engineers, accountants, or creatives, the story is usually the same: "I was told it's just a part of getting older... turns out, my body was missing key tools." As a clinical nutritionist and speaker, I work with Employee Resource Groups (ERGs), wellness committees, and DEI teams to bring engaging, science-backed talks that help employees:

Restore energy (without 3 cups of coffee)

Improve mental clarity and resilience

Understand what their body is trying to tell them—before it screams

Yes, we talk about poop.

Yes, I'll show you how your gut and hormones affect focus, mood, and productivity.

And yes, your employees will walk away with tools they can actually use.

If your company hosts wellness or ERG events—or if you know someone I should connect with—let's chat. My speaker reel is ready, and I'd love to bring this message to your team.

**EACH DAY IS JUST
ANOTHER STEP IN
SAVING LIVES AND
PROPERTY**

Fireman's Prayer:

When I am called to duty, God,
wherever flames may rage,
give me strength to save a life,
whatever be its age.
Help me embrace a little child
before it is too late,
or save an older person from
the horror of that fate.
Enable me to be alert,
and hear the weakest shout,
quickly and efficiently
to put the fire out.
I want to fill my calling,
to give the best in me,
to guard my friend and neighbor,
and protect his property.
And if according to Your will
I must answer death's call,
bless with your protecting hand,
my family one and all.

Who we are and what this is for?

**MARSHFIELD FIREFIGHTERS
ASSOCIATION**

This 501c3 program was created to add support to Marshfield Firefighters in areas not typically supported by taxable revenue. This program assists our courageous men and women who are willing to find time in their busy schedules to assist others in need. These brave men and women train and respond alongside our full-time crews to add valuable man power in large scale incidents.

On behalf of the Marshfield Firefighters Association, we would greatly appreciate your support in adding valuable funds to better support those who answer the call. The proceeds raised, assist in equipment, training, community events, and family events for our firefighters and their families.
