### **Dirty Parking Lot? We've Got You Covered!**

By Andrew Michael, The A Team Pressure Washing

Hey Marshfield friends,

You know us from Springfield for making buildings look great. Now, we're rolling out

our new street sweeper vacuum truck to clean up parking lots around Marshfield and nearby towns!

Got leaves, dirt, or random junk in your lot? No worries — if your customers can park there, we can sweep it clean. We bring the same care and quality you love

from our pressure washing, just on four wheels.

Bonus: Want to save some cash? Bundle your parking lot sweeping with our pressure washing services and get a discount. Because who doesn't love clean and a good deal?

Ready to roll? Hit us up!

Cheers,

### Marshfield Housing Market Update for Buyers and Sellers

Marshfield continues to be in a seller's market for single family residences. Demand exceeds supply, which often leads to quicker sales (still less than 30 days) and potentially higher prices. For sellers, this could be an advantageous time

to list your home, as competition among buyers might drive favorable outcomes. Buyers, on the other hand, should be prepared for a competitive environment, which might necessitate swift decisions when a desirable property becomes available.

The consistent inventory suggests stability in the market, which is beneficial for both buyers and sellers. Sellers can expect continued demand, while buyers should strategize to act decisively, knowing that inventory isn't expanding rapidly.

For personalized guidance on navigating the current real estate market, reach out to one of our seasoned agents at Case Real Estate. Our expertise can provide valuable insights tailored to your specific needs and goals.
