Providing Reliable Propane Service Since 1949

Finding a family Business in a small town generally isn't too tough. But finding one that has been around for more than 60 years and four generations makes it a slightly tougher task. However, it does exist. Since John William Brooks founded Brooks Gas Co. in 1949, Brooks Gas Co. has made its home just off the square in Marshfield, Missouri. Since that time, Brooks Gas Co. has built a reputation as a dependable propane gas supplier that has seen steady growth over the past several decades.

Brooks Gas Co. is a full-service propane company offering sales, installation and repair of propane and propane appliances. We pride ourselves on providing excellent customer service with a personal touch. Our showroom in Marshfield, Missouri, contains a wide selection of grills, gas logs, fireplaces, wood pellet stoves, and accessories.

What a Magical Day at the White Hart Renaissance Faire!

We had an unforgettable time celebrating the official ribbon cutting at the White Hart Renaissance Faire on Saturday! The energy was high, and the costumes were dazzling!

We're thrilled to officially welcome the faire into the Marshfield Chamber family—what an incredible addition! From rat pucking to turkey legs and everything whimsical in between, the faire truly delivered an experience like no other.

A big thank you to everyone who joined us, and to our friends at White Hart for letting us be part of such a special moment. If you didn't make it out—don't worry, there's still time to explore the faire this weekend!!

Big news from the Marshfield Chamber—we're getting a new home!

We're thrilled to share that, effective July 1, 2025, the Marshfield Chamber will officially have a new home—right at the well-known four-way stop in downtown Marshfield!

Our new location at 222 S Crittenden Street may be familiar to many—it was previously home to The Home Corner and Jackson Hewitt.

Now, it will be the home for all things Chamber, and we couldn't be more excited to join the heartbeat of our town.

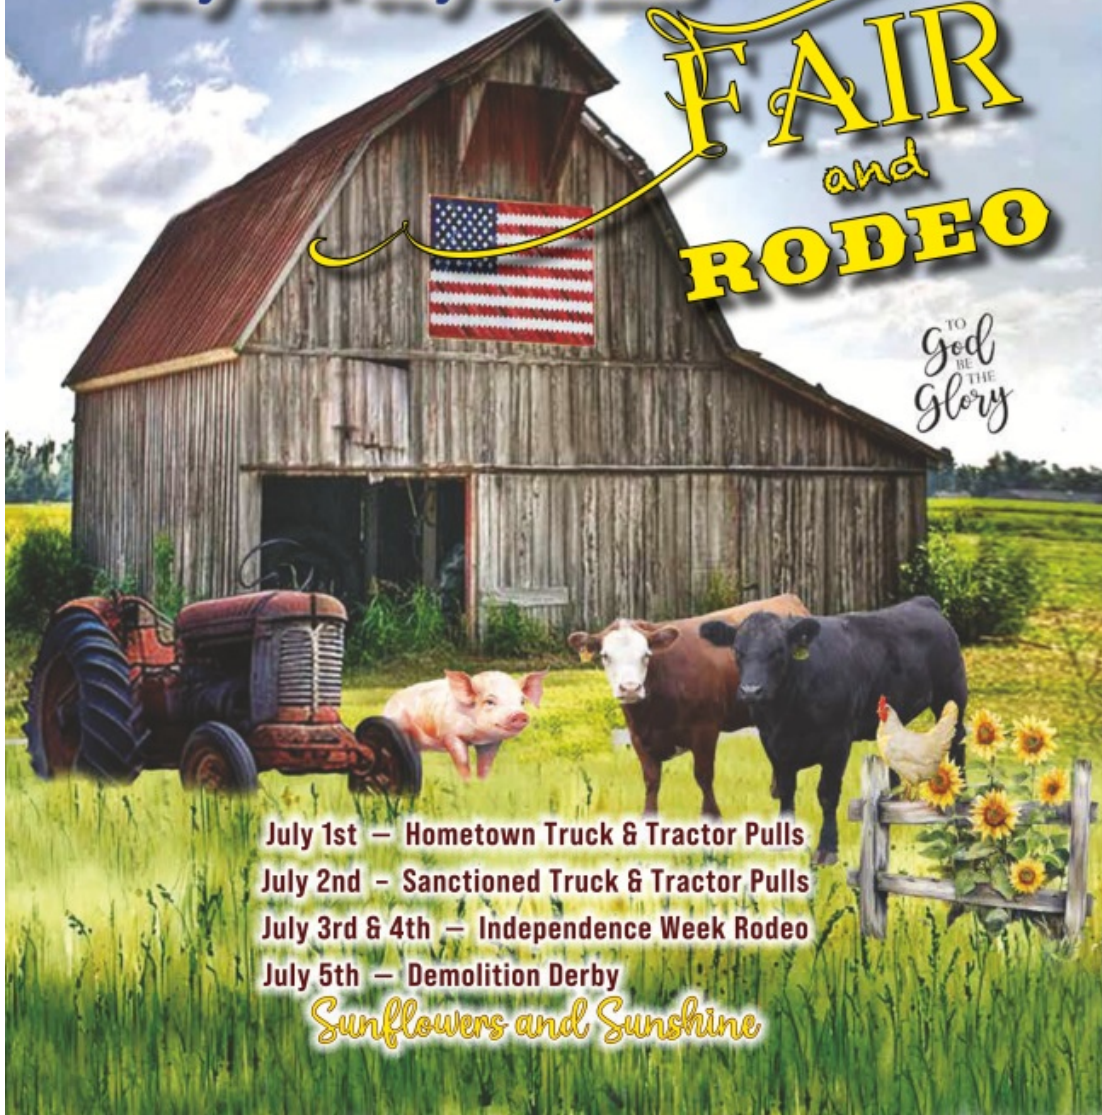

We can't wait to welcome you into our new space!

What a fantastic afternoon! Our June Networking was a full house of local business leaders catching up, making new connections, and sharing fresh ideas. It's always energizing to see so many familiar faces and a few new ones join the mix.

We were excited to welcome

Stan from the Webster County Clerk's Office, who shared valuable info about the senior property tax credit freeze, sparking great questions and conversation.

We also got the inside scoop from Stacie with the Ozarks Lunkers about what's coming up for the team. ☐ Huge thanks to **Grey Oak Investments** for sponsoring Marshfield Night at the Lunkers—and yes, we gave away some tickets, too!

Lunch was delicious thanks to **Sheila's**!

And a big, heartfelt thank you to the **City of Marshfield** for hosting this event in their beautiful space—we're so grateful for you!

- ☐ Mark your calendar for our next Networking Lunch on July 16th—details coming soon, and we can't wait to see you there!

The real estate market is currently experiencing a healthy balance between supply and demand, as indicated by the Months Supply of Inventory at 3.19. Average value has remained steady. For the third month in a row, properly priced properties (say that three times fast) have gone under contract in less than a month; though at slightly less than list price in previous months.

Overall, these metrics paint a picture of a stable and active real estate market, with properties selling quickly and at close to their listing price. Buyers and sellers alike can use this information to make informed decisions in the current market conditions. Whether buying or selling, our agents are happy to help turn your dreams into reality!
