

**Celebrating life.
Encouraging hope.
Providing ongoing support.**

Our Mission

At On Angels' Wings, we're here for you through the tough times. We offer ongoing support and grief recovery services for families with medically-fragile children or who lose a child at birth. It doesn't matter who you are or where you come from – we welcome everyone. We start with free therapeutic photography to capture precious moments, and we're with you every step of the way, providing mental health and wellness support for as long as you need. And the best part? Everything is completely free.

**Celebrate life-
forever.**

We're here to love and support you through the loneliness that accompanies unimaginably difficult circumstances. We help you create memories that will last a lifetime and walk hand-in-hand with your family throughout your entire journey, especially when it feels like everyone else has let go.

Providing support through every step.

We're honored to capture fleeting moments for families during their most challenging times. Whether it's a child born with congenital heart defects, suffering brain damage at birth, or any other severe medical condition, we've been there to provide comfort and create lasting memories.

Parents find solace in the photos we take, knowing these images capture the love and strength of their child's journey. For many families, these photos are more than just pictures; they are cherished memories that acknowledge their child's existence and impact. Our support goes beyond photography, offering a community of shared experiences and hope, making sure that no family feels alone in their journey.

We're based in Springfield, Missouri, but we also serve families in St. Louis, Kansas City, Joplin, Rolla, Columbia/Jefferson City, and Southeast Missouri. If you're in another part of Missouri, we'll do our best to find a photographer for you. We're also have chapters in Oklahoma City, Minneapolis, and Evansville (Indiana).

What a Fantastic Finale! 🎉

Our last Networking event of the year did not disappoint! The food was absolutely amazing (as always), and Stacy and Brenden's presentation on the OBBBA was packed with valuable insights. They managed to cover so much in such a short time — truly something for everyone!

Couldn't make it to the event, but would still like info on the OBBBA? No worries! Reach out to the Chamber office — Stacy and Brenden were kind enough to leave materials.

Thank you to everyone who joined us and made this final networking of 2025 such a success. We love the energy these networking events bring, and we can't wait to kick off a new year of networking together on January 21, 2026!

🌟 Thankful Thursday Spotlight: Miss Sue Esquivel 🌟

Today we celebrate someone whose heart and dedication have touched generations in Marshfield. Amy shared these beautiful words:

"I have had the privilege of knowing Miss Sue Esquivel for the past 25 years, and in that time, I have watched her pour her heart into caring for the children of our community. Miss Sue provides far more than just a safe and loving place—she and her husband, Mr. Pete, welcome each child as if they were their own. Through her gentle guidance, Miss Sue teaches children kindness, respect, and the timeless life lessons our grandparents once passed down to us. Her home is a place filled with warmth, patience, and love—a true reflection of the values that make a community strong."

We are so blessed to have Miss Sue and Mr. Pete in our lives, helping to nurture and shape the next generation with such grace and devotion."

Miss Sue, thank you for caring for the littles in our community and for the countless ways you've helped shape their future with love and wisdom.

We hope you'll enjoy your treat to **Restored Wellness & Recovery Spa** — you most certainly earned it!
